About Me ☺

I am a senior at Temple University.

I really like working with computers so that is why I chose to become a software engineer.

I started coding in college and I love it!

Education 💻

TEMPLE UNVERSITY, College of Science & Technology, Philadelphia, PA

Bachelor of Science, Expected Graduation: December 2020

Major: Information Science and Technology

GPA 3.69; Dean's List Spring 2018, Fall 2019, Spring 2020
